DELIBERATIVE

Janita—thanks again for the calendar wizardry this morning. FYI, we do not plan on having additional materials for the Tuesday 200p with Dave, Mary, and David and crew. As highlighted below, Dave wanted an opportunity to provide some context and direction for us as we review the document and prepare any comments.

Thanks again,
John

DELIBERATIVE

Morning, Dave—attached per your request is the draft FDEP BA we just received. Staff will familiarize themselves with the content here but hold off on a deep dive review/comment drafting pending the opportunity to hear any direction from you/Mary. The transmittal from the state targeted May 28th to have comments from reviewers including EPA. FWIW, the executive summary is three pages, the text approximately 100, and the total approximately 275.

On a related matter, you wanted us to engage OGC regarding:

Confidential; Deliberative; Attorney-Client Communication

John and David,

Nice job to the team on this. Please move forward to FR publication. I've attached a few edits, but please have Macara's shop to the FRN scrub as well. I assume the team has confirmed with FDEP that they are good with putting their white paper in the docket, but please confirm.

Also, thanks for the update email on 4/9. Two things in there. When the team receives the draft BA, please talk to me and Mary before we initiate the deep dive review. I have been spending time getting briefed by Interior/FWS on their process. Ex. 5 AC/DP Of the issues raised in your email, I'd like to discuss

Ex. 5 Deliberative Process (DP)

Thanks.
